Unique Approach • Register for One or All • Participate or Listen

The goal of the Greek Music Education Program is to increase knowledge of and appreciation for traditional Greek music. Each 2.5 hour session will have a different instructor, and focus on a particular aspect of Greek music. Our unique approach offers both educational presentations about the music, and the opportunity to participate in it by playing and singing.

Founded in 1998, the Boston Lykeion Ellinidon is a 501(c)(3) non-profit dedicated to the preservation and promotion of traditional Greek culture through a rich program of dance performances, classes, workshops, and special events.
